A'ūdhu bi-Llāhi mina sh-shayṭāni r-raġīm. Bismi Llāhi r-Raḥmāni r-Raḥīm:

وَإِنْ تَعُدُّوا نِعْمَةَ اللَّهِ لَا تُحْصُوهَا

(Qur'an 16:18). Allah ﷻ states in the Holy Qur'an: 'And if you would count the favors of Allah, never could you be able to count them.' If you try to count the blessings Allah ﷻ has given you, you will not be able to count them. Allah ﷻ has given so many blessings that every breath is a blessing, every bite is a blessing and every step is a blessing. Not only you, but even the computer cannot count the favors of Allah ﷻ. Thank Allah ﷻ. We should be thankful to Allah ﷻ for His blessings and gifts. He who is not thankful will be going to Kufr. He will be ungrateful, and he will not see the benefit of the favors he has received. A person who is grateful to Him and knows its value becomes a valuable person and it will benefit him. It will be beneficial for both his body and the hereafter.

Every atom of the blessings Allah Azza wa Jalla has given is a blessing. Every second that you live is a blessing. You should know its value. But most people do not recognize the blessings and are in disbelief. May Allah ﷻ protect us. You should be careful. Do not obey others. If you say: "Most people do that", that is not important. What's important is what Allah ﷻ has given. If people do not know its value, they lose. If you know its value, Allah ﷻ will have mercy on you, your station will rise and it will be a means to every good thing for you. May Allah Almighty keep His favors continuous upon us. May Allah ﷻ protect us from opposing Him. May He give strength to our faith insha'Allah.

Wa min Allah at-Tawfiq. Al-Fatiha.
