“Some nations with hearts as soft as of birds will enter paradise”. People with soft hearts will enter paradise with Allah’s ﷻ permission.

Our Prophet ﷺ is telling how shaytan plays with people’s iman and makes waswasa. He ﷻ gives its remedy too.

“Certainly, shaytan will come to one among you and ask who created heavens. They will say Allah ﷻ. Shaytan will ask who created earth. They will reply Allah ﷻ. Then shaytan will ask who created Allah ﷻ. This is shaytan’s trick. Whoever among you feels this inside him should say “I believe in Allah ﷻ and His Prophet ﷺ”.”

No need to do anything else. No need to make waswasa and put your iman in danger. You should say “I believe in Allah ﷻ and His Prophet ﷺ. They created everything. They created us. They gave us iman, so I believe in them”. No need for other things.

Our Prophet ﷺ is saying, “Shaytan has tricks and traps. His tricks and traps never finish”. Up until we die, shaytan is after us. He has tricks some of which are clear and some of which target our iman.

“His tricks are: to go astray from favours of Allah ﷻ.” Allah ﷻ gave you favours. People of this time go astray. There has not been so much abundance. People never had so many favours. And when they’ve got it, they go astray. Don’t go astray from favours, be careful. It is given by Allah ﷻ. Make shukr for it.

“To boast with what Allah ﷻ gave you”. Allah ﷻ gave you power, skills or something else, and you boast with them. No. You should make shukr to Allah ﷻ. You should say it is Allah’s ﷻ favour to you. It doesn’t suit Muslims to boast.

“To be arrogant towards servants of Allah ﷻ”. Who are you to be arrogant towards Allah’s ﷻ servants? If Allah ﷻ wants it, He can make them arrogant towards you.

“To go after lust and not the pleasure of Allah ﷻ”. A person who follows lust falls into shaytan’s trap.

Our Prophet ﷺ is saying, “Shaytan lost his hope that people who pray salah will worship him”. People who pray don’t worship shaytan. Nevertheless, shaytan keeps bothering them. He struggles so that they fight and build

enmity between each other. Certainly, people who pray get angry with others or don't like the way others pray. Shaytan brings up many ways for people to be disturbed and not get benefit from their praying. Standing for a prayer doesn't mean you get rid of shaytan.

Our Prophet ﷺ is saying, "Shaytan gives waswasa to sons of Adam, and angels give inspiration". People have two types. They have waswasa and good things inspired from angels.

"Waswasa of shaytan is leading to evil and falsifying the truth". This is shaytan's waswasa; to turn to evil from the good things and to say the true things are wrong.

"Inspiration of angels is leading to good and verifying the truth". Angel's inspiration is means to good things and people's acceptance of truth as true.

Whoever feels leaned towards goodness and verifying the truth should know it is from Allah ﷻ and should make shukr. Whoever feels shaytan's waswasa inside him should seek refuge in Allah ﷻ and say audhu billahi min ash-shaytani r-rajeem.

Our Prophet ﷺ is saying, "Certainly, shaytan has kohl to put on eyes and food to give with his spoon". If shaytan puts his kohl on someone's eyes, he will immediately fall asleep and miss his dhikr. As soon as he starts his dhikr, he falls asleep. If shaytan feeds someone with his food, it makes the person's tongue sharp. He speaks to people in evil way, when he eats from shaytan's spoon. We see now, there are many people like shaytan, many people with poison pouring from their tongues. Those are the people, who eat from shaytan's spoon.

Our Prophet ﷺ is saying again, "Shaytan will come to one among you and ask who created you". There are deists and atheists now misleading the children. It has been there since the time of our Prophet ﷺ. Everyone has it. Even though you build a wall or hide in a well, shaytan will reach you. Our Prophet ﷺ gave the nice reply.

"When shaytan asks who created you, they say Allah ﷻ. When shaytan asks who created Allah ﷻ, whoever feels this inside him, he should say "I believe in Allah ﷻ and His Prophets". Because this word removes this waswasa. No need for something else. Waswasa of shaytan is his biggest weapon. It is a lethal thing. May Allah ﷻ protect us.

Our Prophet ﷺ is saying, "Certainly, shaytan has kohl and a spoon. He has food to feed with that spoon. And he has an odour". His food is lies. His odour is anger and kohl is sleep.

Our Prophet ﷺ says, “Whoever feels such waswasa inside him should say “I believe in Allah ﷻ and His Prophet”.” Because this word removes this waswasa. It is a big thing. These are very important. Because there are many shaytan people, friends and tools all over the world. Therefore, these are good hadiths. May they give strength to our iman inshaAllah.

Wa min Allahi tawfiq, al-Fatiha.
