THE DOOR OF REPENTANCE

*Assalamu Alaykum wa Rahmatullah wa Barakatuh,
Auzu Billahi Minashaytanir Rajeem. Bismillahir Rahmanir Raheem,
Wassalatu Wassalamu ala Rasulina Muhammadin Sayyidul Anwwalin wal Akhbirin,
Madad Ya Rasulallah, Madad Ya As'habi RasuLillah, Madad Ya Mashayikhina,
Sheykh Abdullah Daghestani, Sheykh Nazim al-Haqqani. Dastur.
Tariqatunas sohba, wal khayru fil jamiyya.*

Allah Azza wa Jalla created human beings for them to make mistakes then repent so He may then forgive them. This is what differentiates humans from angels. Angels are innocent and never commit sin. They worship Allah (JJ) and obey the orders of Allah (JJ).

Humans will either imitate the angels or the devils. Devils never do any good to be rebellious and stay in rebellion towards Allah (JJ). Just as angles are in worship and obedience, devils are the exact opposite.

If human beings are in obedience, they would be higher than angels because they would be crushing their ego and obeying Allah's (JJ) orders. If not, if they follow their ego, they would be together with devils. And human devils, Allah forbid, are worse than Shaitan.

As we said, Allah (JJ) created humans to make mistakes. If humans know their mistake and correct it, this time they would gain ten times the reward because Allah (JJ) forgives when they turn back from error. Allah (JJ) created humans to forgive them. Allah (JJ) created humans so, "Repent to Me. Those who sin should repent so I may forgive them, so I may take them into My mercy and compassion."

If not, if they do not repent, He still makes the angles wait and does not let them write the sin. Allah (JJ) makes the angles wait for 7-8 hours or until a day passes, then if they do not repent, He makes them write the sin. So it is not written immediately. When they do good, it is written immediately, it is even written ten fold.

When they commit sin, He makes them wait so maybe these people get their head together and repent. If they do not repent, in the end not ten fold is written like good deeds but a sinlge sin is written. Even thouhg a sin is written, they have the right to repent until the end of their lives. Truely Allah (JJ) still forgives them again and even changes their sins to good deeds.

Allah's (JJ) door of forgiveness and repentance is open. He says until the sun rises from the west, then the door of repentance is closed. But it is open now. When you commit a sin, repent immediately. In fact, we need to repent and ask forgiveness everyday for sins we commit knowingly or unknowingly.

Even our Holy Prophet (SAW) says he repents 70 times a day. Let us also Inshallah fulfill this advice and order of our Holy Prophet (SAW). May our sins be forgiven Inshallah.

Wa Minallah at-Tawfeeq.
