THE GREATEST TREACHERY

*Assalamu Alaykum wa Rahmatullah wa Barakatuh,
Auzu Billahi Minashaytanir Rajeem. Bismillahir Rahmanir Raheem,
Wassalatu Wassalamu ala Rasulina Muhammadin Sayyidul Anwalin wal Akhirin,
Madad Ya Rasulallah, Madad Ya As'habi RasuLillah, Madad Ya Mashayikhina,
Sheykh Abdullah Daghestani, Sheykh Nazim al-Haqqani. Dastur.
Tariqatunas sobba, wal khayru fil jamiyya.*

Treachery is being with the enemy to harm people who trust you. The greatest treachery is treachery against Allah (JJ), because you are a traitor if you are with Shaitan. You would be treacherous against Hadrat Prophet (SAW), and more importantly you would be treacherous against yourself.

Be careful! You need to stay away from this attribute that is no good. You need to obey the orders of Allah (JJ). Because when Allah Azza wa Jalla created our souls He asked us on the day of "Alastu bi Rabbikum?" "Am I not your Allah?" "Alright¹," said all. You will do this. We made a promise to do all the worships. Then most people changed their mind when they came to the world. They turned from that promise, they joined the enemy, and they became traitors.

Therefore, Allah Azza wa Jalla says not to commit treachery. It is called treason. It is the greatest crime and it is worse. The traitor is the person who is with Shaitan. It should not be done. We need to stay away from it, stay away from this bad trait. The trait of the traitor is the most vile, the most dishonorable trait. There cannot be anything lower.

May Allah keep us safe from the evils of our ego¹, because our ego wants to drive us to the lowest, the most despicable place. The nafs is with Shaitan. May Allah keep us safe.

Wa Minallah at-Tawfeeq.

Al-Fatiha.
