**SALVATION IS IN TELLING THE TRUTH**

*Assalamu Alaykum wa Rahmatullah wa Barakatuh,  
Anzu Billahi Minashaytanir Rajeem. Bismillahir Rahmanir Raheem,  
Wassalatu Wassalamu ala Rasulina Muhammadin Sayyidul Anwalin wal Akhbirin,  
Madad Ya Rasulallah, Madad Ya As'habi RasuLillah, Madad Ya Mashayikhina,  
Shaykh Abdullah Daghestani, Shaykh Nazim al-Haqqani. Dastur.  
Tariqatunas sohba, wal khayru fil jamiyya.*

They continue thinking they will gain from what they are doing. The worst is lying. We do not know for sure whether it is a hadith or a saying, "An-najatu fissidq." So it says "Salvation is in telling the truth".

Some people think they will be saved if they lie. However, other lies follow the lie and, "The liar's candle lights till Isha," it is said. It definitely comes out. If not today then tomorrow, and if not that day it will certainly come out one day.

Therefore, lying is not useful. You might think you can lie and get away with it. You might fool Hajji Mehmet, Hajji Hasan, and Hussain but Allah Azza wa Jalla will question it in the hereafter. According to the harm done, the person will regret it saying, "I wish I had not lied."

Salvation is in saying the truth both in the hereafter and in the world. Most people think lying is a small thing, namely a normal thing. Because it is End Times, everything and every evil is met as normal, and every good is considered stupidity. When in fact it is the absolute opposite, you are fooling yourself by yourself, and harming yourself with lies.

People have gotten very used to lying. Let us be careful of this as much as possible. Of course, people have gotten used to something and might not be able to leave it immediately. But they should still make an effort to reduce it. Let them think about this advice and say the truth as it comes to mind Inshallah.

Wa Minallah at-Tawfeeq. Al-Fatiha.
