RESPECT THE HOLY NIGHTS

*Assalamu Alaykum wa Rahmatullah wa Barakatuh,
Auzu Billahi Minashaytanir Rajeem. Bismillahir Rahmanir Raheem,
Wassalatu Wassalamu ala Rasulina Muhammadin Sayyidul Anwalin wal Akhbirin,
Madad Ya Rasulallah, Madad Ya As'habi RasuLillah, Madad Ya Mashayikhina,
Shaykh Abdullah Daghestani, Shaykh Nazim al-Haqqani. Dastur.
Tariqatunas sobba, wal khayru fil jamiyya.*

Thank Allah we are living through this holy night and day. We recognize and know its value even if a little. This is not something vouchsafed for everyone. People are not even aware of such beautiful and holy nights.

People of this world strive for this world, they get sad, and they grieve for this world. There is nothing to sorrow over this world. Whether you are sad or not the world is going. You are going and it is also heading where it is supposed to be going. Know these holy days and holy nights as a treasure, respect them, and show honor to them. When you respect and show honor to these nights, Allah would also give you peace, happiness, beauty, and baraka (blessings) because of the respect you show them. You would not live dryly.

Who are the people who live dryly? Those who work for this world. They work but work in vain. So nothing has value or benefit as long as Allah's consent is missing. It is nothing but loss. May Allah grant us to continue standing on this path Inshallah. May our respect for beautiful and holy nights also continue Inshallah. These are valuable days, holy days. These days are like valuable jewels and gold, so know their worth. Let those who do not know it keep to themselves. May Allah awaken them Inshallah.

Lots of people perish going after this world, for this world. They perish for nothing. Those who stay away from Allah's path are always at loss. In any case those who are with Allah are in gain. Whether poor or rich, whatever they may be, they are always in gain as long as they are with Allah. May Allah make us from them Inshallah.

Wa Minallah at-tawfeeq. Al-Fatiha.
