THE BLESSINGS OF BELIEF

*Assalamu Alaykum wa Rahmatullah wa Barakatuh,
Anzu Billahi Minashaytanir Rajeem. Bismillahir Rahmanir Rabeem,
Wassalatu Wassalamu ala Rasulina Muhammadin Sayyidul Awwalin wal Akhirin,
Madad Ya Rasulallah, Madad Ya As'habi Rasulillah, Madad Ya Mashayikhina,
Sheykh Abdullah Daghestani, Sheykh Nazim al-Haqqani. Dastur.
Tariqatunas sohba, wal khayru fil jamiyya.*

People who love Allah and the Prophet (SAW) will always win. Those who show enmity towards them are always in loss, both in the world and in the hereafter.

Think about it, Mashallah even though there are so many poor and impoverished people in countries of Islam, they trust in Allah and keep making ends meet. There are more than 80 million people in Turkey and more than 100 million in Egypt. They have put their trust in Allah and live on. Allah gives sustenance to all of them and does not leave anybody hungry. A research on "How people are making a living and how they will make a living" was done in Egypt. A foreign committee came, they were surprised, and could not untangle the situation. They were surprised: "This is a poor country. How are they making ends meet?"

Speaking of Europe, all riches are there. But because there are no blessings (baraka), they disintegrate in the smallest event and get their punishment. There is rebellion towards Allah. There is no recognizing Allah. When they do everything according to their own heads, when they attack Allah's Beloved servant, Allah lifts that abundance. He hits them where it hurts most. The place that hurts most and the thing they worship is material. They are materialistic. They have no such thing as a soul and they do not believe.

However, people in these Muslim countries trust in Allah, and when leaving to work in the morning they recite the Basmala and this way it becomes plentiful. Even if poor and impoverished, Allah does not leave the man hungry. Millions of people, not a few people. Pakistan is 200 million and Indonesia is more than that, say 300 million. The poor and impoverished are full all over Muslim countries but Allah gave abundance. Everybody shows consent, is content, and lives on. This is not a secret. Allah did not place a secret and it is open to everybody. Blessings are with those who believe in Allah and love the Prophet (SAW). There is no face nor blessings with others.

May Allah give people intelligence and thought so they may accept this, so they may accept the Truth. They strive and try everything, but when it comes to Islam, they throw a bunch of lies. They throw lies as, "Muslims are like this and Muslims are like that." Muslims are not like that. What they do is a theatrical presentation and nothing else. Muslims, these people that we see, are not brutal. Those brutal people are merely a play made by Non-Muslims. Or they are not from the way that comes from our Prophet

(SAW), the way of Ahl-e Sunnat wal Jamaat. Those who are Ahl-e Sunnat wal Jamaat are merciful and the others are unmerciful. When unmerciful, Allah does not give abundance and their end is a loss. May Allah give them intelligence and thought so they accept the Truth. If they do not accept, they will suffer their punishment.

Wa Minallah at-Tawfeeq.
