THE BANNER OF ISLAM

As-Salāmu ‘alaykum wa rahmatu Llāh.

Ḥaqqānī. Madad.

Ṭarīqatunā ṣ-ṣuḥbah wa l-khayru fi l-jam‘iyyah.

Bismi Llāhi r-Raḥmāni r-Raḥīm:

أَلَا إِنَّ أَوْلِيَاءَ اللَّهِ لَا خَوْفٌ عَلَيْهِمْ وَلَا هُمْ يَحْزَنُونَ

“*Allā inna awliyā’a Llāhi lā khawfun ‘alayhim walā hum yuḥzanūn.*” (Qur’ān 10:62) It says, “Behold! The Friends of Allah, neither fear shall overwhelm them, nor shall they remain in grief.” Those who respect them, venerate them are those who are accepted. There is fear and danger for those who do not respect them but say, “These are just old people who know nothing. We know better [than they].”

Our Anatolian, Ottoman capital [payitaht] is the head of the Islamic world. Here is where the flag of our Prophet and the Islamic world is borne. However many trivial people come forward trying to destroy this, they will end up disappointed. They cannot succeed. They cannot do anything, because Allah has completed His religion. The Ottoman Devlet was built upon the complete path, the path of the Prophet (SAW). This is how they always ruled.

It was the pure ones, the one who protected the religion of Islam. That is why they demolished it. Had it changed to be the way they wanted, they were going to let it stay, but they made the Ottoman government collapse, because they saw it as an obstacle. Next, with a view towards ending it [i.e., the religion of Islam], they appointed bad scholars who were useless, every type of them, but they cannot end it. This is the religion of Allah, and Allah ‘azza wa jalla does not allow them such a chance. Those who go against them have faced the anger of Allah, which means that what they do is in vain.

We see many other paths apart from this true path, and they all struggle to end the true path. If you want to bring it to an end, try it in your own country. We do not need to imitate others. Let them imitate and follow us. May Allah not confuse people, but let us know the value of our path! The greatest provision, and that which has the greatest value, is Islam. In it the one who is on the right path is valuable.

Thanks be to Allah, the head of Islam is here. The help of Allah's friends is ready. It is necessary to have the strength here. No need to look like others. If you do, it is like an adult trying to look like a stupid child. And afterwards, they move you around like a ball, and you end up shamed, with all you do being done in vain.

May Allah make us one of those who knows value. This is a great provision. Allah 'azza wa jalla bestowed this service on us, to the Ottomans. It is important to know its value. May Allah guide people who have no mind! May He give intelligence! In our country also there are a lot of ignorant people. As for ignorant so-called scholars, may Allah guide them and give them intelligence too!

Wa min Allāhi t-tanfiq,

al-Fāṭḥah
